

Medium Pressure Pipe Plug

www.ik-uk.com
www.royalmechgroup.com

Pipe Schedule: VARIOUS

Size Range: 4" through 36" (Larger sizes on request)

IK-UK's Medium Pressure Pipe Plugs features the proven principle of the inflatable polyurethane tyre. Larger diameter plugs have the multi-tyre design – independent inflation systems.

The seals are manufactured from high performance polyurethane elastomer.

The body is manufactured from high grade carbon steel.

General Function and Application

- Easy to install and remove.
- Non-standard sizes and pressures are available
- Recommended for medium pressure hydrostatic test applications up to 10 bar (size dependent).
- Proven polyurethane inflatable tyres.
- Available for horizontal or vertical applications
- Tyres can be filled and pressurised using water or glycol/water mix.

AVAILABLE FOR HIRE

IK-UK have an extensive range of Medium Pressure Pipe Plugs for hire.
